ToDoS	2
Covid Triage	3
Patients can now update appointments.....	4
Practice Holidays.....	5

ToDoS

We have made a small change to Todos. Now when you click on a patient link within the ToDo it takes you to the patient card screen. From here you can quickly navigate to the patient's chart, notes, invoices and payment, repeat prescriptions and appointments.

The image shows a patient card for John Bon Jovi. At the top is a circular profile picture of a man in a white lab coat. Below the photo, the name "John Bon Jovi" is written in a bold, teal font, followed by the ID number "00353872809769" in a smaller, grey font. At the bottom of the card is a grid of six icons with labels: a calendar icon for "Appts", a clipboard icon for "Notes", an information icon for "Info", a pencil icon for "Edit", a document icon for "Invoices", and a prescription icon for "Prescriptions".

Covid Triage

We have changed the behaviour of the Covid Triage form. If patients answer yes to any of the questions in section 1 or 2 it will show the failed triage message. For the remaining questions whether they answer yes or no we will consider it a pass. The system still captures and displays all gathered information.

Please Complete Triage Now

Covid Triage Form

1. Do you have any of the following symptoms today?

Fever (38° or higher)	<input type="radio"/> Yes	<input type="radio"/> No
Cough	<input type="radio"/> Yes	<input type="radio"/> No
